**Every Catholic is Called to Catholic Action!  
Let the Vicars of Christ Tell You of Its Importance!**

**Spreading Your Faith Through Pamphlets and Leaflets is a Wonderful Form of Catholic Action!**

**Pope Gregory XVI** - "This is indeed the time when the Christian army must unite in the face of the devil's fury. But also it is the time to see to it that the faithful unite themselves in this holy association to the priests who are weeping, praying and laboring for the Faith..."

**Pope Pius IX** - (Vatican Council) "Fulfilling, therefore, the duty of Our supreme pastoral office, We beseech, through the Heart of Jesus Christ, all the faithful... and We order them in the Name of God our Savior, to employ their care and labors to remove and eliminate these errors from the Holy Church and to spread abroad the light of the most pure Faith."

**Pope Leo XIII** - "It is no longer that Catholics have to stem the distant torrent of unbelievers. It is now a matter of protecting and developing the Faith in their own country... they have the power and duty to have recourse to spiritual weapons..."

"...It should be borne earnestly in mind that in propagating Christian truth, and warding off errors, the zeal of the laity should, as far as possible, be brought actively into play."

**Pope St. Pius X** - "Catholic Action. . . by proposing to restore all things in Christ, becomes a real apostolate for the honor and glory of Christ Himself."

**Pope Benedict XV** - "It is not enough for clergy and laymen who are friends of Catholic Action to go to the masses and organize them into groups. They must also imbue them deeply with the truths of the Catholic Faith, so that everyone knows his rights and duties and lives accordingly."

**Pope Pius XI** - "Catholic Action consists not merely in the pursuit of personal holiness, which is, however, before all others, its first and greatest end, but it also consists of a true apostolate in which Catholics of every social class participate, coming thus to be united in thought and action. . ."

"All those who participate in Catholic Action and help in the development can do so only by prayer, work, and self-dedication. It is clear that they have no other intention or purpose—and a more noble one cannot be imagined—than to prepare souls to receive the Lord and to extend more each day the kingdom of God, or in a word, to restore all things in Christ."

"The purpose of Catholic Action is therefore very noble, since it is the same as that of the Church, according to the principle: The peace of Christ in the reign of Christ; *Pax Christi in regno Christi.*"

"Catholic Action is not something new – it was Jesus Christ Himself Who laid the first foundation of Catholic Action, by choosing and educating the Apostles and disciples and fellow workers in His divine apostolate..."

**Pope Pius XII** - "To you, dear sons and daughters of Catholic Action, who have made it your motto to do and to suffer hard things as Christians and as Romans, to you, Our fatherly affection, Our thanks, and Our praise."

"Thus prepared, trained, and united, the members of Catholic Action will press forward as apostles into every field of society in all directions, wherever there are souls to conquer for Christ, wherever there is a center or meeting-ground of individual or collective life, over which Christ Our Lord must reign."

**"Yet, when the Son of man comes, will He find, think you, faith on the earth?" (Luke 18:6)**

### The Problem Including Little Loved Ones \$2.00 each

A booklet every parent should read before consenting to take the birth-control pill.

Are you the type of parent that thinks of your career, your likes and dislikes, your vacations, the places you want to go, and the things you want to experience in life, before having a child?

Think about what life will be like fifty years from now when that little one you aborted, could have been your companion. Think about how the child you "prevented" or actually murdered, by taking the birth-control pill, might have been there for you now in the hour of your need.

You ended his or her life. Do you really want the child you kept, to decide the fate of yours? What if he or she decides that you are in their way, the way their brother or sister was in your way?

You cannot decide which baby you will keep, any more than your living grown child can decide that it is time for you to die. God alone is the author of life and death.

## Catholics have a Moral Obligation of Voting

"I wonder how many of our American citizens, before casting their ballot in an election, say a prayer that God will guide them to make a wise choice, and that truly good men will be elected. If our citizens did say such a prayer, I feel sure we should have a far greater number of good officials to guide our nation. Nowadays, not only the welfare of America, but the welfare of the world demands that our government be administered by men of integrity, prudence, initiative, and especially unselfish devotion to their fellow men. And so, our minds and hearts should often be raised to God in humble petition that He will help us to choose for posts of public authority good honest men who will be able to restore peace and prosperity to our country and to the world."

## Burial or Cremation: Which is the Proper Catholic Practice?

50¢ each

Many Catholics are confused in this day and age, as they are told that it is "charity" to their families to "save" money and have themselves cremated instead of having a costly burial.

The Roman Catholic Church teaches that, "cremation of the bodies of the departed is forbidden except in cases of epidemics. It is a pagan custom that has become favored by modern materialists and atheists, as a sign of denial of immortality".

"If Catholics ask for cremation, they may not be buried in consecrated ground". *My Catholic Faith*
