Lent is a time of prayer and reflection!

As 2012 is a

Presidential Election Year,

let us beg Jesus Crucified, during this Holy Season,

and His Sorrowful Mother Mary,
to guide us to know how to fulfill

**our 4th Commandment duty
of Voting.**

**As Americans, we must, through our prayers
and sacrifices, do all in our power to
help bring this country back to God!**

Let Our Lady,
Patroness
of
the
United States
of America,
guide your vote
to bring
America
back to
Her Son
and
Christian Principles!

Catholics have a Moral Obligation of Voting

"I wonder how many of our American citizens, before casting their ballot in an election, say a prayer that God will guide them to make a wise choice, and that truly good men will be elected. If our citizens did say such a prayer, I feel sure we should have a far greater number of good officials to guide our nation. Nowadays, not only the welfare of America, but the welfare of the world demands that our government be administered by men of integrity, prudence, initiative, and especially unselfish devotion to their fellow men. And so, our minds and hearts should often be raised to God in humble petition that He will help us to choose for posts of public authority good honest men who will be able to restore peace and prosperity to our country and to the world."

Morality and Government, Fr. Francis Connell, 1950
